Terms and Conditions

Your information WILL be kept confidential! It will not be sold, rented or given to any third party. Point values and discounts are subject to change at anytime without notice. Not valid with any other offer. Points will not be received after the order is finalized. Earned points are rounded to the dollar amount. Example – your total is \$6.84 before tax and after discounts, therefore you would earn 6 points for that transaction. All point values are totaled before tax and after discounts. Zander's will not be held responsible for stolen points. Rewards accounts should be active and ready for use within 48 hours of enrollment. Verification of your 4 digit pin and/or security question answer will be required for each purchase. In the event both forms of security are answered incorrectly, the account will be locked for a period of 24 hours. By signing below you agree to the terms and conditions listed above.
